OK

Yes, his beard looked just like that.

FACE CONSTRUCTOR ver. 3.61 - ALL RIGHTS RESERVED

Być może ten odcisk pozwoli zidentyfikować włamywacza.

This has nothing to do with the former Art of Murder trilogy.

It's a totally different game that just uses its name. And it's bad... not worth the money.

Had hoped to play another brilliant case of Nicole Bonnet. I'm deeply disappointed.. Simple, I do not like "timed" games. I guess I'm just not fast enough. Another seek and find game I'll have to give away.

i. The 0.4 hours on record was so boring I had to quit and read reviews.
